## BigAustin Women's Business Center Loan Briefing

### 2005 Schedule

#### *"Small Business – Access to Capital"*

Do you need financing for start-up costs or expansion purposes; i.e., working capital, inventory, equipment, furniture & fixtures and leasehold improvements? Are you tired of paying rent and thinking of purchasing property for your very own facility? If the answer to any of these questions is "YES," then you should attend this loan briefing! Learn how to access needed capital. Hear about SBA's loan guaranty program – an option used by various participating lenders to assist small businesses. The instructor will also define the importance of credit, planning, and loan proposal preparation - three key elements to securing a small business loan.

**Time: 11:00 a.m. – 12:15 p.m.**

**Dates:**

March 30, 2005
